From our directors:

Bringing *9 to 5: The Musical* to life has been a joyful and collaborative journey, much like the story it tells. At its heart, this show is about the power of friendship, humor, and standing up for what's right—and we embraced that spirit throughout the process. With its sharp wit, bold characters, and unforgettable music, *9 to 5* reminded us how laughter can be a powerful tool for change. As co-directors, we found our own rhythm through teamwork, leaning on each other and our incredible cast and crew to build something greater together. We hope you feel the heart, humor, and harmony that brought this production to life—because just like in the show, everything's better when you don't do it alone.
